# OVERVIEW

To create your custom banner bags & accessories we need to go over the following points;

- Your Banner(s);
  - Solid or Mesh
  - Approximate dimensions
  - Does it have air hole; slits or grommets
  - Ink - scratch image to determine permanence
- Design;
  - Who are the bags for
  - Is there additional art you want to incorporate
  - Are you thinking of a particular design
- Pricing;
  - How many do you need
  - Product hang tags and packaging
  - Budget

After we receive your banner(s) we will make production sample(s) and email photos for your final approval.
